 Authorized by: _____ Email: _____

WHEN ORDERING ELECTRICAL SERVICES:

1. Check rating plate(s) on item(s) and order outlets accordingly.
2. Lighting outlets supplied with one (1) connection per outlet ordered.
3. Motor outlet supplied with one (1) connection per outlet ordered.
4. Outlets requiring 24 hour and/or dedicated circuits are double list price.
5. Equipment hook-ups, repairs and installations will be performed on a labor and material basis.
6. Island booths have a minimum labor charge of (1) hour to install power and 1/2 hour to dismantle. Material charges may apply. All distribution must be done by a utility contractor electrician.
7. 480 volt service(s) and price(s) are available upon request.

GENERAL INFORMATION

1. ALL outlets will be installed on the floor at the rear of the booth. For Island and Peninsula booths, outlets will be brought to one (1) location at our discretion if no information is provided.
2. The cost of 120-Volt outlets include delivery to one (1) location (rear of the booth for inline booths). If you require the outlets to be distributed to any other location, labor and material charges will apply. There is a minimum charge of one (1) hour for installation and 1/2 hour for dismantle.
3. All wiring, motors and other installation must be approved, to prevent overloading of circuits.
4. Exhibitors are not permitted to add wattage unless ordered. Exhibitors found using outlets without an order will be subject to pay the regular price for outlets used.
5. All electrical permits required by the local building and safety codes will be obtained by the electrical contractor. All equipment must meet safety code regulations, including motors, wiring extension cords, etc.
6. Labor rates are subject to local union contract effective at time of show.
 - ST - Monday-Friday 8am - 4:30pm (Except holidays)
 - OT - Monday-Friday 4:30pm - 8am (All day Sat/Sun/Holidays)
7. Hardwall booths must make arrangements with Blaine to bring power inside the booth on a time, labor and material basis.

MULTIPLE OUTLET LOCATIONS/ISLAND BOOTHS

A scaled floor plan is required for orders with multiple outlet locations and/or island booths. If a power location or main drop in an island booth is not provided prior to the show move-in, a location will be determined by Blaine in order to maintain delivery schedules. Relocation of the service will be charged on a time and material basis.

HANGING SIGNS

Show site prices will apply if your hanging sign is not received in advance at the warehouse prior to the warehouse shipping deadline date.

OVERHEAD POWER

If you require your power from overhead, additional materials and/or labor may be incurred. Please contact info@blainesvs.com.

Payment Policy:

- 100% payment must accompany each order unless prior arrangements are made.
- We accept Cash, Checks, MasterCard, Visa and American Express for payment.
- Advanced prices apply to orders received at least 10 days prior to the first show-move in dates, all other orders will pay regular prices.
- No refund will be given for outlets installed and/or services provided and not used. Claims will not be considered unless filed by exhibitor prior to the close of the show.

SPECIAL INSTRUCTIONS: _____

** All labor and equipment provided by Freeman (an approved vendor at the Los Angeles Convention Center)*

- To qualify for the advance discount price, order, payment and Electrical Layout Grid (for island booths or any booth requiring distribution of electrical services) must be received by the posted deadline date on the Electrical Order Form. Orders received without payment do not qualify for the advance discount price. If you are paying by check, the check must be received at our office by the posted deadline date. Orders received after the posted deadline date will be processed at the standard price.
- If the order total is miscalculated, Blaine reserves the right to make the necessary corrections and bill the correct amount. If this happens, exhibitors will be notified via email when they receive their order confirmation.
- Posted outlet rates include bringing the electrical service to one location. For island booths, the one location will be per the Electrical Layout Grid. For peninsula and in-line booths, the one location will be the rear of the booth(s).
- Posted outlet rates do not include the connection of any equipment, special wiring or distribution of the outlets to other locations within the booth space. Distribution to another location, regardless of booth type, will require labor and is performed on a time and material basis.
- Exhibitors must order a separate outlet for each location that electrical service is required. The minimum amount of power that can be ordered per location is 500 watts or 5 amps.
- Power must be ordered according to peak amperage ratings.
- The electrical provider is authorized to cut floor coverings when necessary for installation of services (unless otherwise directed).
- For all island booths requiring power, Blaine must receive an Electrical Layout Grid prior to move-in showing where the main power location should be located. If one is not received, the electrical provider will deliver power to the most convenient location. If the power must be moved, electrical labor rates will apply.
- Labor rates are based on current wage scales and are subject to change in the event of a wage increase after rates have been published. A minimum charge of (1) hour will apply for all installation work. The removal will be charged a minimum of 1/2 hour or 1/2 the total time of installation.
- If 1000 watt overhead quartz lights cannot be mounted to the facility's existing catwalks, lift and labor charges will apply.
- Payment in full must be rendered during the event. Services may be interrupted if payment is not received.
- The electrical provider is the exclusive provider of all equipment and materials used for the distribution of temporary electrical services throughout the show and in the booth spaces. All equipment and materials are on a rental basis only and is the property of the electrical provider.
- Extension cords and power strips should be picked up at the Blaine Service Desk. Absolutely no credits will be issued for unused items.
- All equipment, regardless of source of power, must comply with federal, state and local codes. The electrical provider reserves the right to inspect all electrical devices and connections to ensure compliance with all codes, for which labor charges can be incurred. The electrical provider is required to refuse connections where the exhibitor wiring or equipment is not in accordance with electrical codes.
- All electrical equipment must be properly tagged and wired with complete information as to the type of current, voltage, phase, cycle, horsepower, etc. required for operation.
- All exhibitors' cords must be a minimum of 14 gauge, 3 wire and grounded. Two wire extension cords are not allowed. All exposed, non-current carrying metal parts of fixed equipment which are liable to be energized, shall be grounded.
- Standard wall and other permanent building utility outlets or sockets are not part of a booth space and may not be used by exhibitors unless electrical services are ordered through Blaine.
- Absolutely no refunds will be processed for services installed and not used. Orders are subject to a 25% cancellation fee if the order is canceled in writing within 14 days prior to the first day of the show.
- Claims will not be considered nor will adjustments be made unless filed in writing by the exhibitor prior to the close of the event.
- Exhibitor holds the electrical provider harmless for any and all losses of power beyond the electrical provider's control, including, but not limited to, losses due to utility company failure, permanent power distribution failure, power failure caused by vandalism, faulty exhibitor equipment or overloads caused by exhibitor.
- Effective 30 days after invoice date, any unpaid balance will bear a finance charge at the lesser of the maximum rate allowed by applicable law, or 1.5% per month, which is an annual percentage rate of 18% and future orders will be on a pre-paid basis only.
- It is agreed that if it becomes necessary to turn matters over to an attorney for collection, or to file a lien, or foreclosure, or otherwise, exhibitor will pay Blaine its attorney fees or applicable agency fees.
- By signing the Blaine Payment Charge Authorization Form, exhibitor hereby agrees to all terms and conditions outlined on this form.

Disclaimer: When stated "the electrical provider," Freeman Electrical is the approved electrical provider and will be supplying all labor and equipment required.
