To assist you in planning your participation in the show, we are certain you will appreciate knowing in advance that union labor will be required for certain aspects of your exhibit handling. To help you understand the jurisdiction the various unions have, we ask that you read the following.

TEAMSTER UNION

The Teamsters Union has jurisdiction for the operation of all material handling equipment, all unloading and reloading, and the handling of empty containers. Exhibitors may unload their own vehicles provided they do not use any material handling equipment (forklifts, flatbeds, dollies, pallet jacks, etc.).

CARPENTER UNION

Carpenters handle the erection and dismantling of display and exhibit booths. This includes all display work as well as uncrating and re-crating machinery and equipment. Carpenters install and dismantle drapery, table skirting and floor coverings.

ELECTRICAL UNION

Electricians handle all electrical work, which includes supplying power lines to your booth, connecting equipment to outlets and installing signs or banners that are lighted, unless they are permanently a part of the exhibit back wall.

FREIGHT HANDLING

Expo Event Services has the responsibility of receiving and handling all exhibit materials and empty crates. It is our responsibility to manage docks and schedule vehicles for smooth and efficient move-in and move-out of the exposition. EES will not be responsible for any material we do not handle.

WORK BREAKS & GRATUITIES

Solicitation of tips or gratuities in any form is prohibited. Please do not tip any EES employee, as all are paid at an appropriate wage scale. Paid breaks of fifteen minutes at the mid-point of each four hour block of work and a one hour meal break at the end of each four hour work period must be given to each employee. Please attempt to work your people to conform to these mandatory break periods.

IN GENERAL

Any questions arising with regard to union jurisdictions or practices should be directed to the EES manager on the floor. Craftsmen at all levels have been instructed to refrain from expressing any grievances or directly challenging the practices of any exhibitor.

LIMITS OF LIABILITY & RESPONSIBILITY

The placing of an order for services and/or equipment by an exhibitor or any agent of the exhibitor shall be construed as an offer subject to acceptance and approval of Expo Event Services in its sole discretion. Upon participation of any Expo Event Services' show or event, the Exhibitor and its agents shall be bound by the terms and conditions set forth in Sections 1 through 14 below. Likewise, once Expo Event Services has accepted and approved the Exhibitor's offer, any shipper consigning or delivering a shipment to Expo Event Services or its subcontractors on behalf of Exhibitor shall be bound by the terms and conditions set forth in Sections 1 through 14 below.

1. Expo Event Services and its subcontractors shall not be liable for age, loss, or delay to uncrated freight, freight improperly packed, glass breakage or concealed damage as determined by Expo Event Services.
2. Relative to inbound shipments, there may be a lapse of time between the delivery of shipment(s) to the booth by Expo Event Services or its subcontractors and the arrival of the Exhibitor's representative at the booth. Similarly, relative to outgoing shipment(s), it is possible that there will be a lapse of time between the completion of packing and the actual pickup of materials from the booth for loading onto a carrier. It is understood that during such times the shipment(s) will be left in the booth unattended. Therefore, it is agreed that Expo Event Services and its subcontractors shall not be liable for the loss of, disappearance of, or damage of any items left in the booth unattended at any time. Consequently, all bills of lading covering outgoing shipment(s) submitted to Expo Event Services or its subcontractors by the Exhibitor will be checked at the time of pickup from the booth and corrected where discrepancies exist.
3. Expo Event Services and its subcontractors shall not be liable for any damage incurred during the handling of materials or equipment requiring special devices to properly load, place, or reload unless 14 days advance notice has been given to Expo Event Services in time to obtain the proper equipment.
4. Expo Event Services and its subcontractors shall not be responsible for any loss, delay, or damage due to events beyond their reasonable control which cannot be avoided by the exercise of due care and prudence, including without limitation, strikes, labor disputes, lockouts or work stoppages of any kind, fire, theft, windstorm, water, vandalism, acts of God, failure of power or utilities, and other events of force majeure.
5. Expo Event Services and its subcontractors shall not be liable for ordinary wear and tear in handling of materials and/or equipment.
6. Expo Event Services and its subcontractors are not insurers; i.e., Expo Event Services does not insure the Exhibitor's property against loss or damage, nor does it provide for full replacement value should loss or damage occur. Insurance, if any, shall be obtained by the Exhibitor. Amounts payable by Expo Event Services under this paragraph are based on the scope of the liability as herein set forth and are unrelated to the value of the Exhibitor's property. Provisions of this paragraph shall apply if Exhibitor's property is lost or damaged through performance or nonperformance of services by Expo Event Services, or from the negligence of Expo Event Services, its subcontractors or their respective employees. If such loss or damage occurs, the liability of Expo Event Services and its
7. subcontractors shall be limited to a sum equal to \$.30 per pound per article, with a maximum liability of \$50.00 per item or \$1,000.00 per shipment, whichever is less. This amount shall be considered Exhibitor's agreed-upon damages and exclusive remedy.
8. Expo Event Services and its subcontractors shall not be liable to any extent whatsoever for any indirect, special, incidental, or consequential damages, which may include, but are not limited to any actual, potential or assumed loss of profits or revenues, loss of use of equipment or products, or any collateral costs that may result from any loss or damage to Exhibitor's materials or any injury to Exhibitor's personnel which may make it impossible or impractical for Exhibitor to exhibit its materials.
9. Expo Event Services will not be bound to honor any claim or action brought against Expo Event Services or its subcontractors more than 60 days after the date of incident.
10. The Exhibitor agrees, in connection with the receipt, handling, temporary storage and reloading of its freight, that Expo Event Services and its subcontractors will provide these services as Exhibitor's agent and not as bailee or shipper. If any employee of Expo Event Services or its subcontractors sign a delivery receipt, bill of lading or other document, the parties agree that Expo Event Services or its subcontractor will do so as the Exhibitor's agent, and the Exhibitor accepts the responsibility there of.
11. Expo Event Services and its subcontractors shall not be liable for shipments received without receipts, freight bills or specified unit counts on receipts or freight bills. Such shipments will be delivered to booth without guarantee of piece count or condition.
12. Empty container labels will be available at the Expo Event Services' Service Desk. Affixing the labels is the sole responsibility of the Exhibitor or its representative. It is understood that these labels are used for EMPTY STORAGE ONLY, and Expo Event Services and its subcontractors assume no responsibility or liability for loss or damage to contents while containers are in storage or for mislabeled containers.
13. In order to expedite removal of freight from the show site, Expo Event Services shall have the authority to change designated carriers, if assigned carriers do not pick up on time. Where no disposition is made by the Exhibitor, freight will be taken to a warehouse and forced shipped on a carrier determined by Expo Event Services and the Exhibitor agrees to be responsible for payment of charges relating to such handling and shipping. Expo Event Services assumes no liability as a result of rerouting or handling.
14. Dry and Cold Storage – Exhibitor stores products at its own risk. Expo Event Services assumes no liability or responsibility for dry or cold storage
15. The Exhibitor agrees, in the event of a dispute with Expo Event Services or its subcontractors related to any loss or damage to any of the Exhibitor's freight or equipment, that the Exhibitor will not withhold payment in any amount due to Expo Event Services for freight handling services or any other services provided by Expo Event Services or its subcontractors as an offset against the amount of the alleged loss or damage. Instead, the Exhibitor agrees to pay Expo Event Services prior to the close of the show for all such charges and further agrees that any claim the Exhibitor may have against Expo Event Services or its subcontractors shall be pursued independently by the Exhibitor as a completely separate transaction to be resolved on its own merits.

Be sure your freight is insured from the time it leaves your place of business until it is returned after the show. It is suggested that Exhibitors arrange all risk coverage. This can usually be done by riders to existing policies. Contact your insurance representative. Also, be sure your liability insurance is in effect during transit and return of your freight, during storage and at show site. All transit claims will be referred to the common carrier.

SHIPPING GUIDELINES

New York Travel & Adventure Show

Jacob K. Javits Convention Center

January 24-25, 2026

Shipping Guidelines

We recommend that you use TS Shipper, a freight team specializing in trade show shipping. Exhibit freight is time-sensitive, and experience counts. If you are in doubt, call Expo Event Services to assist you in planning your shipments.

Take advantage of the advance shipping and receiving services provided by TS Shipper.

Please read the "Expo Event Services' Limits of Liability and Responsibility" for important information on shipping.

Shipping Charges Please prepay all shipping charges. Expo Event Services cannot accept or be responsible for collect shipments.

Bill of Lading All shipments must have a bill of lading or delivery slip showing the number of pieces, weight, and type of merchandise. Upon shipping, immediately send copies of bills of lading to Expo Event Services and your on-site representative. Handling charges are based on the weight of the freight. Certified weight receipts are required for all shipments. Expo Event Services will estimate weight for private vehicles without certified weight receipts. Charges will be based on this estimation and no adjustments can be made. Separate mixed van shipments between crated and uncrated and clearly identify the weights of each on the bill of lading. Otherwise, Expo Event Services will invoice the entire load at the Uncrated rate and will be unable to adjust charges later.

Consignment All shipments must be consigned c/o Expo Event Services to enable us to accept them for handling.

Shipping Labels Please use the shipping labels provided to expedite handling.

Certified Weight Receipts The weights of your vehicle empty and loaded must be documented with certified weight receipts for billing purposes. Expo Event Services will unload all shipments after your driver submits certified weight receipts at the receiving site.

Labor and Equipment - Labor and equipment for unloading and loading are included with Expo Event Services freight handling rates for services. If your material requires specialized rigging equipment, please notify us promptly so that we can make arrangements. When possible, supply your own rigging equipment with shipments and pre-rig your material.

Outgoing Shipments - Shipping information, bills of lading and labels will be available at the Expo Event Services Service Desk. Exhibitors selecting non-official carriers will need to make their own arrangements for pickup.

Empty Labels - Shipping cartons will be picked up, stored, and returned after the show if they are affixed with empty labels by the exhibitor. These labels are available at the Service Desk and are for empty storage only.

Rigging - If your material requires specialized rigging equipment, please notify us promptly so that we can make arrangements. When possible, supply your own rigging equipment with shipments and pre-rig your material.

Materials must fit on the 3' x 4' push cart.

There is one cartload allowed per exhibiting company per booth for both the move-in and the move-out.

Freight that is too large or heavy will be moved by Expo Event Services at the published material handling rates. Vehicles over 3/4 ton (rental trucks, trailers or bobtails) will not be unloaded under the cartload service, Below are examples of qualifying vehicles.

The vehicle must be unloaded at the designated dock of the exhibit hall. Pushcarts will not enter parking lots or structures. There must be two people with the vehicle being unloaded. One person to go with the materials to the exhibit space and one person to remove the vehicle from the receiving dock to a parking location.

To expedite this cartload service, it is strongly recommended that you pre-order this service prior to arriving to the showsite. To receive this service at showsite, please go to the Expo Event Services service desk in the exhibit hall prior to moving the vehicle to the receiving dock. Preferential service will be given to all pre-orders.

In order to produce your graphics at the highest quality and facilitate the transfer of your files to us for production, we are pleased to provide you with this graphic file submission document. Note - the basic cost of graphic production is typically included in your sales quote. Additional prep work on supplied files may require additional fees. Please contact Expo Event Services for details.

File Formats

Program	Preferred File (type)
Adobe Illustrator	ai, eps
Adobe Photoshop	tiff, psd, jpeg (high quality)
Adobe InDesign	indd (include links)
Adobe Acrobat	PDF (press quality setting)

File Transfer Options

Media

Media	Note
Flash Drive	With attached fonts and links
E-mail Attachments	Limited to maximum size 5MB
FTP	zip or compression preferred
DropBox	File sharing

Files obtained from the internet or artwork created in MS Office application (Word, Excel, Power Point, etc.) are often not suitable for high quality output, and typically require additional fees. Artwork should be created to full size - however for larger files i.e. Banner - artwork at 1/4 scale of actual size is acceptable. Scans should be no smaller than 300dpi at 1/4 size. To avoid additional fees associated with these file types, please supply files, at a minimum, two weeks prior to your show.

Vector Artwork

For the best quality in large format printing, artwork should be created and supplied in vector format (.ai or .eps), unless the image is a photo or image file (see bitmap/raster below). Logos and images taken from websites are generally gif's. Gif files are not acceptable as they are low resolution and will NOT print clearly. Artwork which is going to be produced in vinyl - i.e: solid company logo's or text, must be supplied in a vector format (.ai or .eps). Converting bitmap images to vector for vinyl production is a typical issue that may incur additional fees.

Bitmap/Raster Artwork

JPEG/TIFF- We accept these formats but the original artwork must be of sufficient high resolution- 300dpi - and to size as needed for print - in order to print at the best quality.

PDF- These are print files only and can NOT be altered or versioned to fit different sizes. Artwork must be set up at the correct proportion and at print ready quality. Make sure images are saved at high resolution (300dpi).

Color Set Up

If your artwork utilizes PANTONE MATCHING SYSTEM (PMS), please supply a Pantone color reference. Note that Pantone colors are matched to the best possible interpretation for the specific output device and material printed on. If you would like us to match existing graphics, please provide hard copy of the graphics for reference. If your artwork utilizes CMYK values, the printer will use those.

Fonts

Convert all fonts into outlines or paths prior to uploading the files. Also please provide ALL FONTS utilized in your files. This is in case we need to edit copy or if some fonts were not converted to paths or outlines.

SUSTAINABILITY

TOTAL FOOD UTILIZATION

Total Food Utilization refers to using the whole ingredient and minimizing food waste from food preparation. In the event that there is excess produce or even ugly produce, Cultivated chefs employ these foods in picklings, purees, soups, and more.

GREASE RECYCLING

The grease recycling program filters fryer oil to maximize usage and streamlines the changeover of spent oil with new oil.

FOOD RESCUE

Perishable produce, leftover food, bulk items, and excess prepped food are rescued and donated to local community partners.

ORGANIC WASTE MANAGEMENT

We provide comprehensive organic waste management services, including the collection, hauling, and processing of food waste. This material is converted into renewable green energy, supporting our commitment to sustainability and responsible resource recovery.

WATER COOLERS

We encourage the use of reusable water bottles by having many water coolers and stations throughout the building.

SKIP THE STRAW

Strawless lids allow guests to sip their drinks without a straw.

LINEN USE

Cultivated minimizes the use of linen whenever possible to save water, energy, and reduce chemical waste deposits in our sewer systems.

THE FARM

Spanning one acre on our rooftop, The Farm provides up to 40,000 pounds of produce a year that is incorporated into the meals we serve our guests.

THE FARM ICON

This icon denotes CULTIVATED food and beverage items that are made with ingredients harvested from our rooftop Farm, Greenhouse, Orchard, or Farmshelf.

JACOB'S HONEY

Jacob's Honey is the honey made from the hundreds of thousands of bees on the Javits Center green roof. It is used in the recipes and dishes served by CULTIVATED.

THE GREENHOUSE

The 3,500 sq ft all-season greenhouse is outfitted with a hydroponic growing system and benches for starting seedlings and growing microgreens.

A controlled environment allows for 365-day production and greater yields by providing consistent and near-ideal growing conditions. A vertical, stacked hydroponic system maximizes fields within a smaller footprint 2022 crops include head lettuce, basil, edible flowers, and culinary herbs.

LINEN, RENTALS, AND SPECIAL EVENT PLANNING

Please contact our Cultivated Catering Sales Team in regard to linen and rentals for your food and beverage service. Floral, décor, and entertainment services can be arranged on your behalf.

LINEN USE

As part of our sustainability initiatives, Cultivated is committed to minimizing the use of linen in our services whenever feasible. Clients who choose to use linens may rent them through Cultivated (fees vary based on linen size and color) or opt to provide their own. The only exception to this policy is for plated services, where Cultivated provides complimentary tablecloths and linen napkins in black or white only. Other colors incur an additional cost.

The reduction or elimination of linen use has several positive sustainability impacts, including: Water conservation | Energy savings | Chemical usage reduction | Cost savings.

EXCLUSIVITY

Cultivated maintains the exclusive rights to provide all food and beverage in the Javits Convention Center. All food and beverages, including water, must be purchased from Cultivated.

MENU SELECTION

The Cultivated Catering Sales team is available as a valuable resource to you with expertise in event planning, menu selection, and to answer any questions or concerns you might have. While our menus are designed to include a wide variety of dietary needs, the Cultivated Sales Team and our Executive Chef are available if you'd like to design a special menu to serve at your event.

GUARANTEES

The Customer shall notify Cultivated, not less than fourteen (14) business days (excluding holidays and weekends) prior to the event, of the minimum number of guests the Customer guarantees will attend the event (the "Guaranteed Attendance"). There may be applicable charges for events with minimal attendance. If Customer fails to notify Cultivated of the Guaranteed Attendance within the time required, (a) Cultivated shall prepare for and provide services to guests attending the event on the basis of the estimate attendance specified on the BEOs and (b) such estimated attendance shall be deemed to be the guaranteed attendance.

Cultivated will be prepared to serve five percent (5%) above the guaranteed attendance, with a maximum of thirty (30) meals (the overage), which shall be at client's cost and expense if pre-set or utilized.

GENERAL INFORMATION

PAYMENT POLICY

A deposit of seventy-five percent (75%) of the total contract value will be required sixty (60) days in advance of the first function. A signed catering agreement must be returned to Cultivated 60 days prior to the start. The final twenty-five percent (25%) shall be paid in full a minimum of seven (7) business days prior to the start of the first event. A completed credit card authorization form must be provided by the customer as a guarantee of payment for any additional on-site services rendered. Any remaining balance due must be paid within ten (10) business days upon receipt of the final invoice. Outstanding Event Price balances shall be paid within thirty (30) full calendar days of the Event provided billing privileges have been previously approved in writing through the General Manager's office.

ALCOHOL BEVERAGE GUIDELINES

Cultivated is the sole holder of the New York State-issued liquor licenses for the Javits Convention Center. We retain the exclusive right and responsibility to provide and dispense any alcohol served at the facility. We reserve the right to request photo identification from any guest in attendance and refuse services to attendees who do not have proper identification or appear intoxicated. Under New York State law, alcoholic beverages are not permitted to be removed from the facility.

FOOD AND BEVERAGE PRICING

Prices quoted are in US Dollars and are subject to 22.5% administration charge and applicable sales tax. Prices are subject to change without notice; however, guaranteed prices will be confirmed once the client provides a guaranteed guest count and signs the event order no more than sixty (60) days prior to the event.

ADMINISTRATION CHARGE AND TAX

All food and beverage items are subject to a 22.5% administration charge plus applicable sales tax. The administrative charge is for administration of the special function, is not purported to be a gratuity, and will not be distributed as gratuities to the employees who provide service to the guests. (New York Sales Tax is 8.875%)

TAX EXEMPT

If the customer is an entity claiming exemption from taxation in New York State, the customer is to provide evidence of the exemption thirty (30) days prior to the event in order to be relieved of its obligation to pay state and local sales taxes.

Orders and changes received 5 days, or less from the date of service are subject to Cultivated's approval and cannot be guaranteed. Changes to any aspect of the existing event order cannot be accommodated past 48 hours to the service.

Heat lamps come as a single lamp which requires a 500-watt line, and a double lamp which requires a 1000-watt line. Please let your Catering Sales contact know if you would prefer to have the hot or warm item served in chafers instead to avoid heat lamp costs.
