

# MERIDIAN ADVENTURE DIVE

## World Class, Bucket-list Diving Destination Meridian Adventure Dive Resort, Raja Ampat, Indonesia Prize, 5 Days/4 Nights & 6 Dives for 2pax

“Incredible...Amazing...Unbelievable...Adventure”, that’s what we strive for at **Meridian Adventure Dive Resort**.

Raja Ampat is one of Indonesia’s most captivating cruising grounds and it is truly a paradise on Earth. Majestically named the “Four Kings,” it boasts the best waters and most abundant marine life in the SouthEast Asian region. Described by scientists as a biological hotspot and called the most beautiful island chain in all of SouthEast Asia, Raja Ampat makes an everlasting impression.

The geography, the diving, the wildlife, the culture, and the hospitality of the people are all legendary. The diversity of marine life is staggering and too long to attempt to list. Thanks to the Indonesian through-flow the water is as clear as gin and the diving and snorkeling grounds are some of the best on the planet.

Situated in Raja Ampat, Indonesia, Meridian Adventure Dive is a PADI 5 Star Resort and winner of the PADI Green Star award. Scuba divers enjoy our professional services that have become synonymous with both the PADI and Meridian Adventure names.

Featuring modern, immaculate, air-conditioned accommodations and state-of-the-art, eco-friendly dive boats granting access to over 100 dive sites, Meridian Adventure Dive is your top choice for resort-based diving! The variety of dive sites ensures there is something for everyone, from macro photographers to Manta Ray lovers, and from beginners to advanced divers.

The entire operation is set up to focus on the three important components of dive holidays: High-tech, ultra-reliable equipment and transport to and from scuba dive sites; the perfect dive site every time in consideration to tidal streams and environmental conditions; and modern, simple, clean accommodation with an exceptional on-site food and beverages.
